Next year we are thinking of having three categories of artwork: 2D, 3D and youth. Each category will have its own prizes.

#### Goddard Gallery Show

There will not be a member's show in the Goddard Gallery again this year. Since this show was canceled the theme for the member's show in the City Hall will be Water.

#### SVAA 50<sup>th</sup> Anniversary

This year will make the 50<sup>th</sup> year that this organization has been in existence although the name that it started with was Sedalia Art Association. The word visual was added to the name in 1978. We are looking for memorabilia to be put into a video and scrapbook to commemorate this occasion. If you have any stories, pictures, or newspaper clippings please contact Glenda Miller.

#### NEW BUSINESS

##### Plein Aire Event

Linda Hoover has proposed that we sponsor a plein aire event to be held on Ohio Street where participants would work at designated times and days during a week. Then on Saturday of that week the work would be on display downtown. Prior to the event sponsors will have pledged money for the privilege of purchasing one of the pieces created during the week. Board Members will be meeting to discuss details for the event.

##### President's Challenge

Art BUCKET LIST. Is there something you've always planned to do "someday"? Something like take a sketching trip, paint a mural on one of your doors or walls, sign up for a class, set up outside and paint "en plein aire" or something else but you don't seem to be getting around to it. Linda is challenging you to be brave and do it this year!!

Respectfully submitted by Glenda Miller
